

## From the Director

In this issue we would like to welcome our new research associates Mala Raghavan, Kamiar Mohaddes, George Milunovich, Solmaz Moslehi and Antonio Andrés Bellofatto and our new doctoral student associate Wee Chian Koh.

Thank you to everyone who has submitted papers to the [CAMA working paper series](#). The statistics for the papers published in 2016 are available [online](#). If you would like to submit a new paper please contact your program director or CAMA.

**Warwick McKibbin**  
Director

## Media

Is Cheap Oil Really Good for the Global Economy?, by Kamiar Mohaddes, *Financial Times*, 14 July 2016

## News

**Bruce Chapman** has been engaged in public debates about income contingent loans in the US, Ireland, Colombia and Brazil. He was the keynote speaker at conferences in the US, Ireland and Colombia, and the latter two countries look very likely to be adopting the Australian HECS approach to higher education financing quite soon.

**Tara Sinclair** has accepted a new role as senior fellow with [Indeed Hiring Lab](#).
