

From the Director

CAMA will again be sponsoring a CAMA Research Associate to attend the East Asian Economic Seminar in 2017. The theme is 'Inequality'. All proposals should be sent to cama.admin@anu.edu.au for consideration by the CAMA Management committee who will select the paper to be supported. The deadline for submissions is Friday 20 January 2017.

We would like to welcome the new research associate George Kudrna and the new doctoral student associate Arlick Campbell. We wish them a successful and productive term.

Thank you to everyone who has submitted papers to the [CAMA working paper series](#). The statistics for the papers published in 2016 are available [online](#). If you would like to submit a new paper please contact your program director or CAMA.
